Empowering Communities Through Legal Awareness, Outreach & Access to Justice

ABOUT THE LEGAL AID CENTRE

The Legal Aid Centre of Guru Gobind Singh Indraprastha University (GGSIPU) is committed to promoting legal awareness, social justice, and access to legal remedies for marginalized and underprivileged communities.

Guided by Article 39A of the Constitution of India and the Legal Services Authorities Act, 1987, the Centre actively conducts legal literacy campaigns, awareness drives, outreach programmes, mediation initiatives, and socio-legal activities aimed at fostering legal consciousness and civic responsibility.

The Centre also provides law students with experiential learning opportunities that nurture professional ethics, advocacy skills, leadership, and social responsibility, thereby contributing towards the creation of a more informed, inclusive, and legally aware society.

OUR LEADERSHIP

Prof. Vandana Singh
Director, Legal Aid Centre

Leading the Centre's initiatives towards legal awareness, outreach engagement, and community-driven legal education.

Dr. Zubair Ahmed Khan
Associate Director, Legal Aid Centre

Actively contributing towards socio-legal initiatives, student engagement, and outreach programmes of the Centre.

VISION

To create an inclusive and legally aware society where justice, equality, and access to legal remedies are available to every individual, irrespective of socio-economic status. The Legal Aid Centre envisions empowering marginalized and underrepresented communities through legal awareness, community engagement, and access to legal assistance while fostering constitutional values, social responsibility, and civic consciousness.

The Centre also aspires to cultivate socially responsible legal professionals by encouraging law students to actively participate in legal aid, outreach programmes, and community service initiatives, thereby strengthening the ideals of justice, empowerment, and participatory democracy.

Rooted in compassion and driven by purpose, the Legal Aid Centre strives to bridge the gap between law and society through student-led outreach, awareness, and community empowerment.

MISSION

- To spread legal literacy and constitutional awareness among communities.
- To organize outreach programmes, legal awareness camps, workshops, seminars, and socio-legal initiatives.
- To bridge the gap between legal institutions and society through accessible legal aid services.
- To encourage law students to engage in community service and experiential learning.
- To uphold the values of justice, equality, inclusivity, and human dignity.

WHY LEGAL AID MATTERS

The Legal Aid Centre believes that access to justice is a fundamental right and not merely a privilege available to a few. Through legal awareness drives, outreach activities, awareness camps, mediation workshops, surveys, and community interaction programmes, the Centre strives to make legal knowledge accessible to all sections of society, particularly marginalized and underrepresented communities.

Promoting legal awareness and access to justice through community engagement initiatives

OUR INITIATIVES

- Legal Awareness Camps
- Community Outreach Programmes
- Jan Sunwai & Public Interaction Sessions
- Consumer Awareness Programmes
- Legal Literacy Drives
- Mediation & Arbitration Workshops
- Child Rights & Women Empowerment Campaigns
- Socio-Legal Research & Surveys
- Donation Drives & Welfare Initiatives

COMMUNITY ENGAGEMENT & ON-GROUND INITIATIVES

The Legal Aid Centre actively engages with schools, local communities, institutions, and marginalized groups through initiatives aimed at promoting legal awareness, social empowerment, and civic consciousness. Through awareness campaigns, interactive sessions, workshops, competitions, legal literacy programmes, and community outreach activities, the Centre strives to foster dialogue, inclusivity, and social responsibility within society.

Glimpses of student volunteers engaging in awareness initiatives and interactive activities at the Traffic Training Park as part of the Centre's outreach and legal literacy efforts.

Spreading awareness beyond classrooms through the powerful medium of Nukkad Natak and community engagement in Najafgarh.

The Legal Aid Centre conducts Legal Literacy Drives for school children to create awareness about fundamental rights, duties, child safety, and the importance of legal and social responsibility from an early age.

Glimpses from the Elocution Competition organized on the occasion of World Suicide Prevention Day, promoting awareness, dialogue, and social sensitivity towards mental health and emotional well-being.

Jan Sunwai: Where voices matter, concerns are heard, and justice begins.

The Legal Aid Centre, in collaboration with WCF, organized the launch of "*From Reform to Implementation*" on 13 May 2026, fostering insightful discussions on educational reform and learning systems across India and the UK.

Bridging awareness with action

Through consumer awareness initiatives and community outreach programs, the Legal Aid Centre continues its commitment towards empowering individuals with knowledge, rights, and access to justice.

ACTIVITIES THROUGH THE YEARS

Community Awareness Initiatives

The Legal Aid Centre organized several awareness-driven initiatives focusing on cleanliness, legal literacy, child rights awareness, public welfare, and civic responsibility. Through legal awareness campaigns, information desks, interactive sessions, and community-based programmes conducted in collaboration with various institutions and authorities, the Centre actively promoted legal consciousness and social engagement among diverse sections of society.

Outreach & Legal Literacy Programmes

Through surveys, outreach drives, mediation workshops, donation initiatives, and community interaction programmes, the Centre worked towards strengthening access to justice and spreading awareness regarding legal rights, welfare measures, and socio-legal concerns within communities. These initiatives also encouraged practical learning and active student participation in community engagement activities.

Social Justice & Community Engagement

The Centre continued its commitment towards social justice and legal empowerment through seminars, victim rights awareness programmes, legal discussions, and outreach initiatives addressing contemporary socio-legal challenges. These activities promoted dialogue, legal awareness, and participatory engagement while reinforcing the values of justice, equality, and community welfare.

STUDENT VOLUNTEERS

The Legal Aid Centre functions through the active participation of dedicated student volunteers who contribute towards legal awareness campaigns, outreach programmes, drafting assistance, research activities, event coordination, and community engagement initiatives. The Centre provides students with practical exposure to law and encourages socially responsible legal education.
